WIKI's 12th Author Relay Interview

Sachi Park and Jesse the bear, as well as being friends of the same age (22), showed us the best partnership skills while working as WIKI's representative authors for two years. Before they met WIKI, they were friends who got along very well together, and after they debuted as WIKI as authors, they also became partners who worked well together. It's time for these two authors, who are building their friendship as time goes by in their life! Let's go to the set of the (short) where laughter releases its cage!

Interview Sooyeon Lim
Photo Woomi Kang/Jah Seung

You two are the 12th being interviewed for WIKI's Relay Interview and it's your second interview after the one you did for the start of the *May Goddess* series. Could you two please greet our WIKI family?

Sachi Yoo & Jesse Park: Hello, nice to meet you! We'll try our best to make this an interesting interview!

The first volume of *Girls Again Today!* was published not too long ago. First of all, congratulations to!

Yoo: I haven't seen it myself yet, but they say it's very fun to read. (While the cover, there's also a beautiful distance done by our artist that she put all her energy into!) Please buy a bunch of borrowing it. We want to go traveling to Turkey with the money (Jesse has, well too honest).

Park: It's filled with one of all types & charismatic but cold guy that you can have. Fun amazing, a strong man with glasses, the lovely twins, and even a handsome noble! Take your pick.

If there's one thing that the readers were the most curious about was its extraordinary setup. An alien and a human being living together rather normally... The matter how we think about it, it can't help but be a fun setup. It has a special reason why you two came up with this idea?

Yoo: I thought it up when I saw the title of the book, *Alien and Rose Army*, because from Mars, Alan from *Alan*, Alan from *Alan*, and, yet, another man from far away in space... That's when I thought of, no, no, no.

I saw a movie called *The Spanish Apartment* before (it's about exchange students from various countries in Europe living together in a small apartment in Spain) and I liked working it. I really wanted to do a story like that.

Oh, and come to think of it, in the last chapter of *Girls Again Today!* the readers of WIKI spent time choosing which character matched the role of its characters. Everyone saw this, right? Now, if that's so, you two can't just pass this by, so why don't you two take a shot at it (While helping that it gets made into a TV series!) Like the readers, we'll be casting for the parts of *Sachi*, *Hanbin*, and *Jessie*!

Yoo: For *Sachi*, I'd say Hyeran Kim, Jungah Moon (She from *Shinwa's* real name) for *Hanbin*, and for *Jessie*... (I'm not sure it's because I don't know actors in their name that well since Jessie's in high school).

Park: Everything's OK with me as long as *Girls Again Today* gets a role. Ohh, it looks as if we can figure out your personal tastes. Then, tell us your reasons for reading these people as well?

Yoo: Well, Hyeran Kim is so cute that I just want to eat her up (I go crazy for people who have that under their eye, but most importantly, she looks like she'd make a good housewife! She was in *Myung-hwang's* male video as a hotel maid, I think.) And, it like it's when he turns to eat gay frogs and he eat one. There're not a lot of guys who can swallow a mock suit and designer-made clothes at the same time!

Unedited! Real Talk Time!

Authors, why don't you smile? You have to smile in order to get a good photo! For one reason, and no, I feel more at ease, why don't we play Truth or Dare? Let's ask each other one thing that we really want to know and get an answer!

Real Time ... Hmm ... I don't have anything. I want to know about this girl. There has to be something I'm curious about in order to play Truth or Dare, an old!

If you put it off like this, then that makes things awkward!

Real: If that's the case, then when was the last time you peed while in bed?

Oh, that's really your question? Oh, dear!

Real: I told you, I don't have anything to ask!

Fede: Hey! Why is your opinion something like that? I don't even remember how! When about you then, since you asked the question!

Real: I can never tell! Answer the question!

Fede: Was it ... it ... necessary ... school? Ah, I don't know.

How fast, but you asked over the question. Now, it's Author Fede's turn to ask Author Real. Please ask something interesting!

Fede: (Fede is wait for a long time, getting back and forth until finally handing a scrap of paper with a question on it to the interviewer.) Did you ever really reveal something like that? Huh, yes, wait!

Real: When is it, what is it, what is it?

Oh, I'll ask the question! Say it word to the boy called "Shin" whose name you borrowed! (First time being revealed Author Fede's name, "Shin," is a personal)

Real: (Without hesitation) You were ... our neighborhood's neighbor. It's OK, you know, because he'll never read this, anyway!

Why don't you reveal the neighborhood boy's name while you're at it?

Real: No, no, I can't. What if someone in that neighborhood knows that that's something that can't happen! Please! Please!

How shy! Anyway, should we not something together after this is over?

Wait, let's get this done quickly and go get something to eat!

entropy

Fede: It was really an answer with personal content in mind, sorry. How fast Real!

Why Godevis and Julie Aguin? Today! are people that have completely different personalities. Thus, I think the way that the two of you deal with your work has changed from your previous work. So, what did you think changed from the time you were working on *Mary Godevis*?

Real: Well, in my case, I don't think there was a big change in the case of *Mary Godevis*. It was only the storyline that was dark since the two of us worked on it with a completely opposite initial. But in the case of *Mary Godevis*, we opened its completion in five then two volumes. From the beginning, and we tried to make it like a movie or a two-part drama. But with *Julie Aguin Today*, we wanted to make it like a show.

Fede: In *Mary Godevis*, we tried to express the feel of the place as a whole more than any thing else. Then, in *Julie Aguin Today* we're trying to express the characters' personalities and traits. Their personalities are so clear and clear than they previously were on their own while drawing.

A question only for Author Real! What's the character who has the most secrets in *Julie Aguin Today*? :)

Real: That would be Junia. He used to be pretty successful before. And, he's been on North the longest. He's been living in Korea since the 190s.

At that time, the president was working in MS Seoul branch on manager while Ben was still a little kid. If I get a chance, I want to talk about that time as well.

A question for Author Fede! Which character from *Julie Aguin Today* is the one not to draw, and which takes most of your attention?

Fede: I think the rules are easy to draw. I think it's since I have to draw the same character twice and then, frequently, I get the feel for it. Marlin's head since he's supposed to be good looking. It's fun, though, because he keeps on looking depressed.

Then, who's your favorite character? (And the reason, too.)

Real: Marlin. He's moderately conservative, talks a lot, and although he's big, he's young inside. I wanted to make a character that was really like a Korean man, so I'm getting a few ideas from my family and the people around me. But honestly, I ... would be scared to meet someone like this in real life.

Fede: Junia. I usually like the more characters. And, he seems closer to born!

When we look at the latest cover, it looks like Ben and Marlin's romance is blossoming finally. Is this true. Author Real? Is the romance that we're expecting really going to be carried out?

Real: To start with the conclusion, yes! But how will the romance between a woman of Island type A and a man of a B Island type turn out?

Change roles! If Author Park did the story and Author Yoo drew, then what would you like to change about the *Safe Again Today?* of now? (For example, the story line or character style.)
Yoo: Change what? (In editing I worry that the final draft comes out [that's why we aren't pre-proofing].)

Park: There's only one thing I wish I went back to come get myself.
If there are any plot holes or mistakes that the readers haven't discovered yet, please reveal them!

Yoo: I refuse to reply! Why would I dig my own grave?

Park: I wonder if I can say that I still decide which food each character ate before drawing, so Hanbin became omnivorous.

Will there be another after meeting to Seol's house?

Yoo: There's going to be a very distinctive after coming to her house. And, there's going to be managers and allies who are in charge of the Japanese region.

Two two are old friends but your personalities as well as your styles are different. But, you have shown the best teamwork from *Many Characters in Safe Again Today!* So, what is your secret to getting along better than family at a married couple?

Yoo: If I had to say, I'd say it's because our taste is even in fashion. I don't think we're well suited to anything. This is also what we each want to do and we don't block each other from doing it, so there's no complaints. The secret to a married couple's happiness is using separate rooms. My parents are a wonderful couple, just so you know!

It's hard to know about one's self! Let's take some time to talk about each other! First, Author Yoo, say something about your friend Subin Park and about Subin Park as an author, as well.
Yoo: Hmm, Subin Park as a friend... ignores my text messages sometimes. Subin Park as an author... can't let me in to the house around deadline times. What's also possible?

Now, as readers, Author Park talk about *Safe Again Today?* as a friend and also *Safe Again Today?* as an author!

Park: She's an interesting friend. It's all kinds of ways, this girl really let's her interesting to talk to, but her psychics, that I can sometimes see, goes well with her, too. And, she's always, diligent, and organized when it comes to work, so I want to be like her when it comes to those points. I think she's good at writing stories where the characters are often sad but is found in daily life.

But as the good points of working with a friend and the bad points.

Yoo: [What's wrong with these interview questions?] It's difficult if you sit people like us who live our lives without thinking too much. Good points are that I'm OK for my firm to go out firm when I have a complaint and the bad thing is that there's a miscommunication!

Park: But we can express our opinions and work without worrying! There's making uncomfortable, but something that's bad is that I wonder if we're looking at our work in an objective way.

Two two are from the same high school, right? I wonder what you two were like in high school. Also, if there's an interesting episode from that time, then please tell us.

Yoo: I thought it was wrong back then... Well, it's all strange even when I think about it now. I wonder if it's the difference from looking at her mind with friends and when alone. I met Subin before we started school, in our school's orientation, and I thought she was a girl whose laughter I liked. When she laughed, it was a sound like a dog barking [!]. Come to think of it, why didn't you laugh anytime? I was your laughter! (Laugh name, my friend!)

Park: I can't laugh like that anymore, my friend! I remember the time around exam period when everyone was studying in the cafeteria in the basement, which was open for studying, and all of a sudden, without any reason, I made a Harry Potter chant. But, the important thing is that I never finished it to the end.

What are three things you want to resemble from each other?

Yoo: First is that she lives by enjoying her life. Second is that she lives by enjoying her life. Third is that she lives by enjoying her life!

Park: First is that she's diligent. Second is that she's diligent.

One thing you've worried about these days?

Yoo: The situation these days is unstable. I want to see the National Assembly getting mad.

Park: He worried because I don't have a chance to meet guys since the always in the house [We're publicly looking for author Subin Park's boyfriend!!] Because who's older than her by up to ten years is OK. (Younger men aren't!) How to wear glasses and be mature [If you know someone like this, then contact Kyeol by email.]

Also a deadline, when do you do that?

Yoo: I think about when the next deadline is. Park: First, I can't. After I can't without knowing where I'm going and go to sleep... then I feel sick.

Is there a time when you think, "This is why I drew *Safe Again Today?*"

Yoo: When I thought about people who don't read novels.

I wonder what I'm supposed to talk about with people like that. When I think, "Oh, I want to make something like this," when I can't work that's so great for looking down with satisfaction. That's when I clearly think that I'm someone who makes mistakes.

Park: When I'm analyzing a story or the characters when I read novels or when I draw on a surface in my head without me? I can see clips! These two two are still young. I think you have a goal in life. What is your goal after ten years?

Yoo: I want to live a year in Park before I'm thirty. (What are I'll see?)

Park: My doubtless goal is to earn a lot of money, and I'm the type who can't even set a goal for myself for the next future, so I can't imagine myself ten years later. I hope I'll do what I like to do and won't regret my ten years.

Subin Park, since now, select another author that you'd like to pass the author to, and tell us what present you want to give them.

Park: I want to give the *Safe Again Today* DVD to Hyun Chung. I hope you always live joyfully!

DOCTOR?

YEAH

gloomy

BY DOCTOR...

WENT THE
ATTENDING
DOCTOR
FOR ME.

HE CHECKS ON
OUR HEALTH AND
GIVES US A LECTURE
BETWEEN THE SEXUAL
EDUCATION AND THE AID
OFFICE. HE ALSO
SUPPLIES US WITH
MEDICINE AND OTHER
COMMODITIES.

PLUS HE
TAKES CARE
OF THE
SICKLY AT
THE NURSING
HOME.

DO YOU NOT
I LEARNED
WHAT IT WAS
HOLDING.

DO TELL
YOU THE
TRUTH.

I CAN'T
UNDERSTAND
WHAT YOU'RE
ASKING TO
STAY HERE.

IT'S NOT THAT
I'M NOT THOUGHTFUL
FOR SUGGESTING HOW
REALITY TURNED
OTHERS...

SOMEONE I
THINK THAT, NO
MATTER WHAT YOU
SAY, YOU HAVE AN
ULTIMATE MOTIVE
FOR BEING HERE.

SO, THAT'S WHY
I'M DECIDED
TO LIVE MY LIFE
AS A PERSON TO
DEAL WITH THIS
SITUATION.

YOU SEEM LIKE
AN INTELLIGENT
PERSON, SO I'M
GONNA TRUST
THAT YOU'LL
FOLLOW MY
DECISION.

I DON'T HAVE
ANY SECRET
MOTIVES

I'M GOING STEP
BY STEP AND
LOOKING FOR WHAT
I WANT.
IF YOU DON'T
LIKE THAT, THEN
DO WHATEVER
YOU WANT

BUT THEN
YOU'LL GO
WHEREVER I WANT,
SO.

GAAAAHHH

I SEE
THAT YOU'RE
SCARED.

SCARED OF
OTHERS.

SCARED OF
OTHERS' THOUGHTS
AND SCARED OF
GIVING YOURSELF
UP TO OTHER
PEOPLE.

THAT'S WHY
YOU HAVE ABOUT
ANYTHING THAT
GETS CLOSE
TO YOU.

YOU DON'T WANT
TO ACKNOWLEDGE
ANYTHING OTHER
THAN YOURSELF.

DON'T YOU
KNOW THAT
BETTER THAN
ANYONE ELSE?

YOU KNOW THAT
PEOPLE ARE ONLY
MIRRORS THAT
REFLECT YOUR
OWN FAULTS AND
VIRTUES.

AND NOW, YOUR
EYES ARE SLIGHTLY
CLOSING AND WE
ARE BACK TO THE
FIRST DAY YOU MET ME.

JUST TRY AND
IMAGE THAT
THING IN FRONT
OF ME AGAIN?

CLICK

IT'S
ABOUT

I'LL BACK
DOWN FOR
TODAY.

CRACK

What did we talk about?

IN SPACE!

THEY WERE
LEFT TO GO

ONE DAY,
HE GOT ON
A SPACE SHIP
AND LEFT.

FOR THE
FIRST TIME, THE
AGENCY SENT
OUT A GROUP OF
HUMANS INTO
THE TELEBATION
AFFLITED
PLANETS

MAISON LEFT
AS A MEMBER
OF THAT GROUP
WHICH IT TAKES
A WHILE TO BE
ABOUT IT

RIGHT ABOUT
NOW, SHE'S
POSSIBLY SOME-
WHERE IN SPACE,
GETTING FARTHER
AWAY AT THE
SPEED OF
LIGHT

IDEA IF SHE
REALLY IS
POSSIBLY BE
A FEW HUNDRED
YEARS FROM
NOW.

I'LL NEVER
BE ABLE TO
SEE HER
AGAIN.

WELL, MAYBE
BECAUSE I
HAVE A REALLY LOW
IMAGINATION.
I CAN'T...

I JUST
CAN'T ACCEPT
SOMETHING
LIKE THAT.

For some
reason,

It doesn't seem
like someone
else's story...

THEN HOW
ABOUT YOU
SHOULD GET
ON A TRAIN-
CAR AND GO
AFTER HIM

THEN YOU
CAN MEET
HIM AGAIN,
RIGHT?

EVERYONE'S
PHYSICAL
HEALTH IS
FINE!

THE TASHIRO-
HOON SEEMS
TO BE UNDER A
LOT OF STRESS
ON A LITTLE
HOLIDAY

GENA

I DON'T FEEL
VERY GOOD
ABOUT THAT
NOT STAYING
HERE

I DON'T KNOW
ABOUT NOW, BUT
I'M GLAD THAT
WE'LL CAUSE
TROUBLE IN THE
FUTURE

DON'T LET
YOUR GUARD
DOWN

But the moment
I saw that look
on his face,

I could no longer
think that he's a
bad person.

EXACTLY
HAPPENED?

I HEARD
SOMETHING ABOUT...

So, it's come down
to no leading to
see this report.

WHAT I AM
ABOUT TO TELL
YOU... WELL, THE
DETAILS ARE
KIND OF FUZZY.

AND IT'S ONLY A
SMALL PART OF
EVERYTHING THAT
HAPPENED.

BUT I BELIEVE
YOU STILL NEED
TO KNOW. YOU CAN
DECIDE YOUR OWN
CONCLUSIONS.

IT HAPPENED
DURING THE TIME
WHEN THE CONDENSE-
MATION BETWEEN
THE PLANETS WAS
FIRST FORMED.

AROLIN WAS A
PLANET WITH TWO
NATIVE SPECIES
LIVING UNDER A
STRICT CASTE
SYSTEM.

THE LOWER CLASS,
WHICH WAS ABOUT
NINETY PERCENT OF
THE AROLIN POPULA-
TION, WAS CALLED
BUNA.

FOR THE MOST
PART, THEY WERE
IN CHARGE OF
FARMING.

THE HIGHER CLASS
WAS CALLED FORMI-
BOOK. THEY DEVELOPED
A MODERN SOCIETY
COMPLETE WITH ALL-
TORY ADVANCEMENTS
AND RELIGIOUS BE-
LIEFS.

NOT COUNTING
RACIAL DISPUTES THAT
OCCURRED FOR THIRTY-
FOUR HOURS, THE
PLANET WAS A PRETTY
SAFE AND PEACEFUL
PLACE.

EST WHEN CON-
TACT WITH THE
CONFEDERATION
FIRST STARTED
TO OCCUR.

AND ABDOU
INITIATED A FULL-
SCALE PLAN TO OPEN
THE DIFFERENT SOCIET-
IES TO ONE ANOTHER.
CHARGES WERE TO TAKE PLACE.

ABOUT NEW
THEORY WERE
INTRODUCED.

THEY FEEL
HAPPY, NEW
KNOWLEDGE,
NEW ART.

IN PARTICULAR,
EVEN THOUGH THE
CONFEDERATION
THOUGHT CERTAIN
THEORIES TOO RADI-
CAL AND UTOPIANISTIC,
THE IMPACT OF NEW
IDEAS INCREASED
RAPIDLY.

AMONG THESE
NEW IDEAS WERE
UTOPIAN IDEALS LIKE
ABSOLUTE EQUALITY.
THESE IDEALS BEGAN
TO ATTRACT MANY
FOLLOWERS WHO
WOULD CLASH WITH
IN ABDOU.

BECAUSE THE PEOPLE
OF ABDOU WERE AT THE
FOREFRONT OF TRANS-
LATIONS AND TECHNO-
LOGICAL RESEARCH, THEY
WERE BECOMING A MAJOR
FACT IN THE... ALL THE
SOCIETIES.

AND THEY BECAME
THE ANTI-THESIS
OF THE IDEAS THAT
WERE BEING LATER
CALLED...

...THE
FATHER'S
CHILDREN.

WHAT A
WEIRD NAME.

THE NAME
POO BECAME
A LITTLE
WEIRD.

TO COME UP
WITH A NAME THAT
ISN'T TOO
COMMON BUT
EASY TO REMEMBER
IS KIND OF HARD.

Good names
are a religious
art.

AT FIRST, THE
CONTESTATION
DIDN'T TAKE THEM
VERY SERIOUSLY.

THEY JUST
THOUGHT OF
THEM AS DESIR-
ABLE BEINGS FOR
INTERPLAYING
CULTURAL
EXCHANGE.

THEY WERE
AROUND FOR
THE FIRST TIME
AND WERE
A LITTLE
TENSE IN
THEIR
BEHAVIOR.

SOMEONE, THE
ARMY, WHO HAD
SERVED THE KOREAN
PEOPLE FOR
THOUSANDS OF
YEARS.

NO ONE ANTICIPATED HOW
THEY'D REACT
TO THEIR NEW
IDEALS.

THE CONFEDERATION
WAS TOO LATE
IN REACTING TO THE
SITUATION, AND WHEN
THEY FINALLY AGREED
TO SIGN THE
TREATY, THE SITUATION
HAD ALREADY
ESCALATED FAR
BEYOND THEIR
CONTROL.

EVEN THE
MOTHER'S CHILD
COULD NOT BE
CONTROLLED.

IT HAD
ALREADY
GROWN UP
WATER.

IN THE END,
THEY CALLED
THE UNPRECEDENTED
MESSAGE THAT
OCCURRED THE
ARMY INCIDENT.

SOME CALL IT A
REVOLUTION AND
CONSIDER LIBERATION.

STILL, THE FACT IS
THAT MANY
PEOPLE DIED.

WHEN THE ARMY
DETACHED FROM
THE CONFEDERATION
ARMY, THE
RATIO OF SURVIVORS
WAS ONE OUT OF
FOUR.

THE BROTHERS
CHILDREN WERE
LABELED AS A LOSE-
GROWING ISLAMIC
GROUP

THEN THE CHARGE
OF THE CONSPIRACY
WAS MADE TO BE MORE
CARICATURE ABOUT ISLAM-
PHOBIA AND BECAUSE THE
CONSERVATIVE GROUP
THAT ARE TODAY

THE BROTHERS GROUP
HAS BEEN ABLE TO
MAINTAIN ITS NOBLES
DENCE IS BECAUSE OF
THAT, NOT BECAUSE
OF MILITARY POWER
OR DIPLOMATIC
ABILITY

IT'S BECAUSE THE
CONSPIRACY IS
BECAUSE THAT THE
BROTHERS COULD BE-

STILL AN UNFAM-
ILAR PLACE.

OF COURSE,
YOU'LL WANT TO
RETURN TO YOUR
COUNTRY.

ALL BUT I, ON
THE OTHER HAND,
HAVE NEVER BEEN
LEFT AT HOME.

SEEK.

During periods of darkness,
I only kept those who I loved
in darkness for my light
when I was free.

I am never willing to
be a slave without

WHEN WE
CAME TO
EARTH.

WE'VE ALREADY
GIVEN UP ON
OUR OLD LIVES.

FROM HERE, THE
CLOSEST CONFERE-
NCE STATION PLANT IS
SIXTY LIGHT YEARS
AWAY IN EARTH
TIME.

THIS MEANS THAT,
EVEN IF WE HOPPOED
ON A SPACESHIP LONG
BEFORE CIVILIZATION
WAS BUILT, A
TRAVELER

ABOUT 180
YEARS WOULD
HAVE ALREADY
GONE BY IN
EARTH TIME.

EVEN IF WE
RETURN TO OUR
HOMES AND, THINGS
WOULD BE AS THOUGH
WE HAD NEVER
LEFT. AND THAT MANY
CHANGING WILL HAVE
TAKEN PLACE.

THE MOMENT
THAT YOU GOT
ON A SPACESHIP
AND CAME TO
THIS PLACE

WAS ALREADY
LOST ALL OF
THAT LONG
LONG AGO.

THAT'S WHAT
WESLEY AND I
TRAVEL AROUND.

IT COMPLETELY
CUTS A PERSON
OFF FROM HIS
PAST AND HIS
FUTURE.

'You... Why did
you come here?'

THEN, WHY DID
YOU HAVE TO
COME ALL THE
WAY OUT HERE?

OH, YOU THINK
THAT, IF YOU COME
ALIVE AND ACTED

WORLD ACTUALLY

BOMB POSITION?

"Did you think
that it would all
just go away?"

SULATION IS

YOU'VE FIGURED OUT WHAT

DREAMING

IN FACT, LETTING

FOR HIM.

ARE WORRIED
ABOUT HIM.

End Credits...

"In the hundreds of millions of years on this planet, in this vast galaxy called Milky Way, under the same sun, the same planet, the same country, and the same place, I am thrilled to have met you all."

Hello everyone! Thank you for reading *Safe. Again. Today!*
Volume 2! Although this story was meant to be longer than 2 volumes, due to certain reasons, the story has met its sudden end.

The quote above is very popular on the Internet, and is from the introduction of *Common*, by Carl Sagan. One time, one of my friends sent this quote to me by text message. As a reply, I sent back: "...are you following some weird religion?" :: Uhh... when I asked, I found out it was something they were told to do for their religious class at school. Although I am sometimes unpleasant and snobby, still, there are times when I believe there is a thing called life. It is something you can see by just looking at the person sitting next to you. You don't have to look up at the stars to be able to witness it. Although it is lacking, the thing I wanted to show through *Safe. Again. Today!* was something like this.

Although it was a short run, thanks for being with me
let's meet again in my next work!
-Yuu Ikari

Thanks to everyone who helped make and start *Safe. Again. Today!* you will never forget you. You will always be in my thoughts, although since I'm always drawing, my words are not as profound. Thank you so much for reading!
